

Industry Users - GETTING STARTED

Defense Counterintelligence and Security Agency (DCSA) provides the following guidance for industry users initiating their NI2 system registration and access:

System Access Requirements

- ✓ Government Contracting Activity Contract Officer (GCA KO) sponsorship
- ✓ Cyber Awareness Challenge
- ✓ Contractor Account Managers (CAM) Appointment Letter (CAM only) must be completed and approved. Appointment Letter found here: [Appointment Letter](#)

System Access

The NI2 system notifies you by email once you can access the system. Once you have access, follow these steps:

1. Navigate to <https://niss.dcsa.mil>.
2. Select the NI2 Access link.
3. Choose the correct PKI/ECA certificate, then select OK.

System Registration

Once you have accessed the NI2 system, complete these steps to register for an account:

1. Select Register.
2. Type all required information in the given fields.
3. Upload Documents:
 - Cyber Awareness Challenge that was completed within the last 12 months from a DoW approved source: <https://www.cyber.mil/cyber-awareness-challenge> or <https://www.cdse.edu/Training/eLearning/DS-IA106>
 - CAM Appointment Letter (CAM Only)
4. Select Submit.

 **Note:** If your registration request is denied, the NI2 system sends an email containing resolution instructions.
