Federal Investigations Notice (FIN)

Notice No. 25-01

December 1, 2024

Subject: Addendum to FIN 24-01, “Products and Services Reimbursable Billing Rates for FY 2025 and FY 2026”

This Addendum updates several product and services DCSA announced in FIN 24-01, dated August 30, 2024.

First, DCSA announced plans to offer the National Law Enforcement Accountability Database (NLEAD) check as a new product in FY 2025. The NLEAD check is a new DCSA service for Federal law enforcement agencies to specifically support the hiring, promotion, and job assignment of Federal law enforcement officers in accordance with Executive Order 14074. At the time DCSA issued FIN 24-01, it was still assessing detailed costing and other factors to determine a final price and specific launch date to customers. DCSA is pleased to announce it will be offering the NLEAD check starting December 1, 2024. There is no cost for this product in FY 2025. DCSA will review and update this product and associated costs for FY 2026 and will announce changes as part of the FY 2027 Pricing FIN planned for August 2025.

Second, the Federal Bureau of Investigation, Criminal Justice Information Services Division completed a review of the fees charged for fingerprint-based and name based Criminal History Record Information (CHRI) checks and as a result is reducing these fees. Effective January 1, 2025, DCSA will extend these cost savings to all customers by reducing its price for the following products:

DCSA Product	Current Fee	Revised Fee
eFP - Electronic FBI Fingerprint Classification Check <i>As shown in FY25 Table 1.5</i>	\$20	\$18
FBI Fingerprint Classification Check (FBIF) – RSI/SAC Code: B <i>As shown in FY25 Table 1.7</i>	\$12	\$10
FBI Fingerprint Name-Only Check (FBFN) – SAC Code: K <i>As shown in FY25 Table 1.7</i>	\$2	\$1
Spouse/Cohabitant National Agency Check (Spouse/Cohab NAC) RSI/SAC Code: S <i>As shown in FY25 Table 1.7</i>	\$42	\$41
Name Search for Spouse and/or Cohabitant (SFPN/SFBN) <i>As shown in FY25 Table 1.4</i>	\$26	\$25

Adjusting the fees for these specific products provides customers with measurable cost savings while optimizing DCSA’s administrative ability to affect these changes for the remainder of FY 2025. DCSA will be reviewing the costs for these and other products impacted by the FBI fee change and will announce its planned price for FY 2026 and FY 2027 in August 2025.
