(Risk Management Team Lead, Due Diligence Team Lead, and Entity Triage Team Lead)

Location: Quantico, VA

Clearance: Top Secret Security Clearance with Sensitive Compartmented Information Access (TS/SCI)

Pay Range GG-11 (\$78,592 - \$102,166)

Open: October 1, 2024 – November 30, 2024

This is an open call for resumes. We are currently gathering resumes of qualified candidates to create a pipeline for future vacancies.

Position Summary:

Our Entity Vetting team is responsible for triaging companies for business and security-related risk indicators, evaluating and assessing resultant vulnerabilities, and crafting tailored strategies designed to negate or mitigate risks to national security.

DCSA is looking for creative and innovative personnel with a mission first focus to serve in the following positions:

Risk Management Team Lead (RMTL) - Responsible for reviewing, editing, approving, and leading government-to-government coordination of Risk Management Strategies, informed by the analysis of threats and vulnerabilities, crafted to mitigate or negate company-related business and security risks to national security.

Due Diligence Team Lead (DDTL) - Responsible for reviewing, editing, approving, and overseeing the timely production of business and security-related Entity Vulnerability Assessments evaluating a company's risk indicators and assessing the resultant vulnerabilities' impacts on a company's management personnel, business operations, government customers, security posture, and national security.

Entity Triage Team Lead (ETTL) - Responsible for reviewing, editing, approving, and overseeing the timely production of business and security-related triage level Risk Indicator Reports identifying the ultimate beneficial ownership of an entity and whether key risk indicators related to foreign ownership, control, or influence or other risk factors are present requiring further enterprise analysis of the threats and vulnerabilities.

Specifically, you will be evaluated on the following competencies:

- 1. Technical Competence:** Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one's job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.
- 2. Communications:** Communicate (i.e., written and oral) rights, responsibilities, management directives, policies, and/or regulations to employees, supervisors, and/or other pertinent individuals.
- 3. Vulnerability Assessment and Management:** *DCAT* Conducts assessments on threats and vulnerabilities, determines the level of risk, and develops and recommends appropriate mitigation countermeasures in operational and nonoperational situations. Conducts

assessments in a counterintelligence context to protect against espionage, other intelligence activities, and sabotage conducted for or on behalf of foreign powers, organizations or persons, or international terrorist activities.

4. **Security:** Knowledge of the laws, regulations, and guidelines related to securing personnel, facilities, and information, including the requirements for handling, transporting, and protecting classified information and proper reporting of security incidents.
5. **Reasoning:** Identifies rules, principles, or relationships that explain facts, data, or other information; analyzes information and makes correct inferences or draw accurate conclusions.

This position is part of a developmental program leading to GG-13.

Education Requirement:

Education is not required. However, if you have a degree, you **MUST** submit your transcripts for your education to be considered. If substituting or combining education for experience, transcripts **MUST** be provided. If no transcripts are provided, you will be rated solely on experience. Superior Academic Achievement does not apply to Defense Civilian Intelligence Personnel Systems (DCIPS) positions.

If substituting education for experience:

- GG-11 level, you must possess a Ph.D. or equivalent doctoral degree; OR 3 full years of progressively higher-level graduate education leading to such a degree OR LL.M., if related.
