

DCSA Procurement Forecast FY22-23, a/o 1 June 2022

The goal of this tool is to provide a nationwide dashboard of upcoming DCSA contracting opportunities. All projected procurements are subject to revision or cancellation. Final decisions on the extent of competition, small business participation, estimated value, or any aspect of the procurement are made if/when a solicitation is provided for competition. Forecast data is for planning purposes only and is not a commitment by the Government to purchase the described products and/or services.

Address questions regarding a planned procurement to the Defense Counter intelligence Agency (DCSA) - Office of Small Business Programs (OSBP) at: dcsa.small-business@mail.mil
