

Defense Counterintelligence and Security Agency (DCSA) Procurement Forecast FY19-21

Dated: January 2019

Contracting Office	Requirement Title	Requirements Description	Anticipated NAICS Code	Anticipated PSC	Anticipated Solicitation/RFP Date		New or Re-Compete	Estimated Contract Value (inclusive of options)	Additional Details
					Year	Quarter			
HS0021- DCSA	SPeD Certification	To provide technical support in developing and maintaining high-stakes, legally-defensible certification assessments to over 30,000 DoD, Industry, and other federal security professionals	541611	R420	2019	QTR 1	Re-Compete		Single Award
HS0021- DCSA	Agency Strategic Business Management Support Services IDIQ	broad range of inter-related management and support requirements in support of program management, resource allocation, and business operations for DSS Offices. This contract supports all of DSS mission operations (Counterintelligence (CI), Industrial Security Field Operations (ISFO), Center for Development of Security Excellence (CDSE), and Industrial Policy and Programs (IP)), streamlining the program control functions across our portfolio of efforts. Roles supported include portfolio/program/project management, technical managers, transition managers, and Contracting Officer's Representatives, responsible for DSS projects and interest areas. It is also intended to provide similar support for Agency operational elements (Office of Acquisitions (AQ), Financial Management Division (FM), and Program Integration (PI) working with all of the DSS offices on projects of mutual interest to provide business management support.	541611	TBD	2019	QTR 2	Re-Compete	Above \$50M	Multiple Award 100% Small Business Set-Aside FBO Solicitation Number: HS002119R0008
HS0021- DCSA	Grounds Maintenance	Grounds Maintenance at DoD CAF building, Ft. Meade, MD.	561730	S208	2019	QTR 2	Re-Compete	Less than \$1M	8(a) Program
HS0021- DCSA	Admin Support Services IDIQ	The objective of this effort is to obtain administrative support services to assist the Defense Security Service (DSS) in day to day operations that enable execution of the agency's mission.	541611	R699	2019	QTR 2	Re-Compete	Between \$25M-\$50M	
HS0021- DCSA	Access Control System	A contract to provide access control for all DSS facilities	TBD	TBD	2019	QTR3	Recompete		8(a) Program
HS0021- DCSA	Web Support Services	This service delivers web support that includes: continuous improvements to processes and web solutions, development of custom solutions, and web content management and maintenance. This requirement also supports the development of our NIPR and SIPR SharePoint environment.	541511	D308	2019	QTR3	Re-Compete	Between \$10M-20M	8(a) Program
HS0021- DCSA	Enterprise Wide Logistics Support Services IDIQ	An IDIQ contract to provide logistical support that includes but is not limited to project management; space planning and utilization management; interior design; design, procurement, and installation of Furniture, Fixtures, and Equipment (FF&E); transition and relocation planning and execution; and facilities support services to include but not limited to supply management, postal operations, facility management, and property management and disposal services as required.	TBD	R408	2019	QTR4	New	TBD	8(a) Program

HS0021- DCSA	Enterprise Risk Analysis Services	Assist DSS generate enterprise risk assessments by identifying and scaling threats, vulnerabilities and impact to inform decisions and actions to mitigate or accept risk when one or more of the following conditions exist: -DSS identifies an unacceptable risk and DSS is unable to mitigate with existing tools or authorities; -DSS must communicate or document analysis to substantiate a decision; or, -Present an enterprise view of multiple companies and/or facilities.	541618	R499			New	Less than \$1M	
HS0021- DCSA	RMF Support IO	The Contractor shall provide support, primarily through the use of Security Control Assessor-Representatives (SCA-R), to DSS and NISP contractors. The Contractor shall maintain awareness of current DoD and NIST developments and issues. The Contractor shall provide technical support to the DSS Field Operations (IO) team and SCA-R support in the A&A of 4500 (1200-1500 annually) systems utilizing the eMASS tool as the application and repository for artifacts and POA&Ms.	TBD	R499			New	TBD	
HS0021- DCSA	On-Site Audio Visual Support	The Audio/Video staff provide support to the A/V infrastructure used in the classrooms as well as throughout the CDSE facility. They support the development and maintenance of courseware, virtual instructor-led delivery, video streaming sessions, as well as the recording, processing and preparation of audio or video segments to support DSS requests.	512110	T016	2019	QTR 4	Re-Compete	Between \$1M-\$5M	
HS0021- DCSA	Custodial Services	Provide Custodial Services at DoD CAF location at Ft. Meade, MD	561210	S201	2020	QTR 1	Re-Compete	Between \$1M-\$5M	8(a) Program

HS0021- DCSA	Enterprise Survey Services	This requirement provides enterprise survey services including survey development, hosting, analysis, and reporting to all DSS elements.	541611	R702	2021	QTR 3	Re-compete	Between \$1M-\$5M	

** United States Code Title 15, Section 637(a) (12) (C), requires the Defense Security Service to prepare and make publicly available a forecast of expected contract opportunities or classes of opportunities for the next and succeeding fiscal years. This LRAF is comprised of information regarding anticipated acquisitions that are forecasted for the upcoming and future fiscal years. This forecast is based on the best information available and could be subject to change. This information is in no way binding on the Government. Specific information relating to any individual item or class of items will not be furnished until the proposed acquisition is synopsised through the GPE or the solicitation is issued. The forecast is for informational, marketing and planning purposes only. It does not constitute a specific offer or commitment by Defense Security Service to fund, in whole or in part, the opportunities or classes of opportunities referenced herein. The Government may or may not release a solicitation for these efforts.
